

ATM Freedom

Better. Simpler. Easier.

Access to over 1.5 million ATMs worldwide

Each month, our ATM Freedom program will pay for your first five ATM surcharge fees charged by other banks for using their ATMs. Plus there's no charge from MB for using another bank's ATM.*

Simply maintain an average monthly balance of \$5,000 in any MB personal checking account to qualify for ATM Freedom. In other words, there's no special sign-up for ATM Freedom.
