

Small Business Loans

Better. Simpler. Easier.

Helping you grow your business

MB Financial Bank offers our expertise as well as a variety of resources that contribute to the growth of your business. We make loans available for:

- Purchase of fixed assets
Using term loans with monthly repayment schedules
- Ongoing and/or periodic working capital needs
Using revolving lines of credit or short-term loans
- Guaranty of payment to trade suppliers
Using standby letters of credit
- Financing of multi-family and mixed commercial use buildings
- Any other business purpose that contributes to the growth of your company

Here's how to qualify for a small business loan

We require personal guaranties of "owners" and collateral, which can include:

- Bank deposits
- Marketable securities
- General business assets
- Specific business assets
- First or second mortgage on residential or commercial real estate
